## Experience

**Venue IT intern | Live Nation |** Toronto, ON | April 2024

- Prepared and configured IT infrastructure for over 80 concerts, including POS systems, Wi-Fi, and network cabling, resulting in a 100% uptime record across all events and smooth operations for 10,000+ attendees per show
- Created comprehensive technical documentation and streamlined communication with venue managers and Live Nation's IT team, reducing on-site setup time and improving issue resolution efficiency during events.

## PROJECTS

**Hire-A-Chef Web App ( Capstone Project )**

- Developed a Chef and admin analytics dashboard by integrating real-time customer flow and booking data, improving the chefs' planning and scheduling efficiency by 30%, which streamlined operations and enhanced the accuracy of meal preparations and event planning
- Optimized real-time booking efficiency by integrating Stripe payment systems, reducing transaction processing time by 40%, which enhanced user experience and increased successful bookings by 25%.  
Technologies: React, Stripe, Node , Docker, AWS

## EXTRA-CURRICULAR ACTIVITIES

**Collision Conference 2024 volunteer**

- 1) Startup and Investor Lounge: Provided dedicated support in the startup and investor lounge area, facilitating connections and optimizing participant networking opportunities.
- 2) Tech Support: Helped attendees navigate Collision's interactive mapping technology, enabling them to locate meetings, speakers, and stages easily.

**GBC Mobi-help Tutor**

Facilitated the academic growth of 60+ 1st and 2<sup>nd</sup> semester students, gauged by a 100% positive response on its impact. Measurable outcomes include improved exam scores, showcasing the tangible influence of this support program on participant's academic success.

**Club Operations Coordinator, GBC Entrepreneurship Club**

Increased workshop attendance by 30% by regularly engaging club members through Microsoft Teams and coordinating weekly emails with StartGBC, fostering more active discussions during sessions like workshops and the Pitch It competition.

## EDUCATION

**Computer Programming & Analysis, Advanced Diploma| George Brown College|** Toronto, ON | April 2025

Concentrations: Agile Software Development, Web Development, Android Development | GPA: 3.4 / 4.0

- Deepened my understanding of core Software engineering concepts by applying it to real-world projects.
